Christmas holiday begins

8th January

Training Day

9th January

Returning children back at
nursery school

10th January

Play sessions for starters

Staff

We will wish goodbye to Amie this month, 17th November. She has got a new job. We hope you will join with us to wish her well.

This does mean we will be having a slight change to staffing. Flo will be moving through to work in Orchard class and there will be a new face coming to Meadow.

Parents in Orchard will have seen Megan who has joined us as a student teacher this term.

Outdoor Learning Workshop

10th November 09.00 and 12.45

Andrea will be talking to parents about mathematics, literacy and learning in the outdoor environment.

Children In Need

Wear your pyjamas to nursery. A donation will be collected for Children In Need.

We will also be holding a cake sale and cake raffle. Money raised from this will support resources for your children in the Nursery School. If you would like to donate any cakes that would be most welcome.

Parent Coffee Morning

30th November 08.40 - 09.45

Following a very successful morning in October we are looking at continuing the coffee mornings. We have changed the day from Friday to Thursday so that parents can attend the Sidney Stringer celebration assembly on a Friday morning.

School Application Forms

We will be sending off any school application forms that have been returned on 10th November if you still need support or a paper copy please see Sue in Orchard.
