Nursery reopens after
Christmas holiday.

6th January 2021

New starters begin their
play sessions

Thank you

We want to say a big thank you to all our community for making the Nursery School as safe as possible.

Thank you to parents of our Meadow children who have had to support us with 2 weeks of home education. We hope you appreciated our blended learning offer to support you over the last 2 weeks.

For next half term Coventry is likely to still be in tier 2 so can I please remind parents to wear facemasks on site.

Orchard requests

If you have any of our **wellington boots** or **spare clothes** please can you return them after half term so that we have enough for when we need to lend them out.

Family photos, we are building the family tree but need lots more photos of the families. Thank you to those parents who have already sent in a photo.

If you want to email in you can use Studybugs or email it to Maggie, mgosai@hillfields.coventry.sch.uk

Children In Need—13th November

We will be focusing on numbers for children in need. We are asking the children to wear numbers. It could be a football shirt or safety pin a meaningful number to your shirt, e.g your age, flat number etc.

30 hour code

Reminder that if you are entitled to 30 hour care for the Spring term you must register and renew before 31st December 2020.

Bring your code to Sarah in the office.

Studybugs

We have a great system for reporting absence. It is run by the NHS and so allows you to report your child's absence but will also give advice on their illness.

As a school we also use it to send out school newsletters and notices as this reduces the paper being passed from school to home helping us stop COVID transmission.
