

Children Missing in Education

This is set out with regard for the government document Children Missing in Education and should be used in conjunction with the school attendance policy

- Any child who has not been attending, with no phone call or text, will be raised at Families meeting
- An attendance letter will be sent out
- Sibling's school will be contacted to ensure we are working together to safeguard children
- A home visit will be carried out
- If this is unsuccessful the child will be reported as a Child Missing in Education
- If you have completed a holiday request form and have not returned to nursery by the stated return date we will begin our child missing in education procedure
