Hillfields Nursery School lets me know how my child is doing

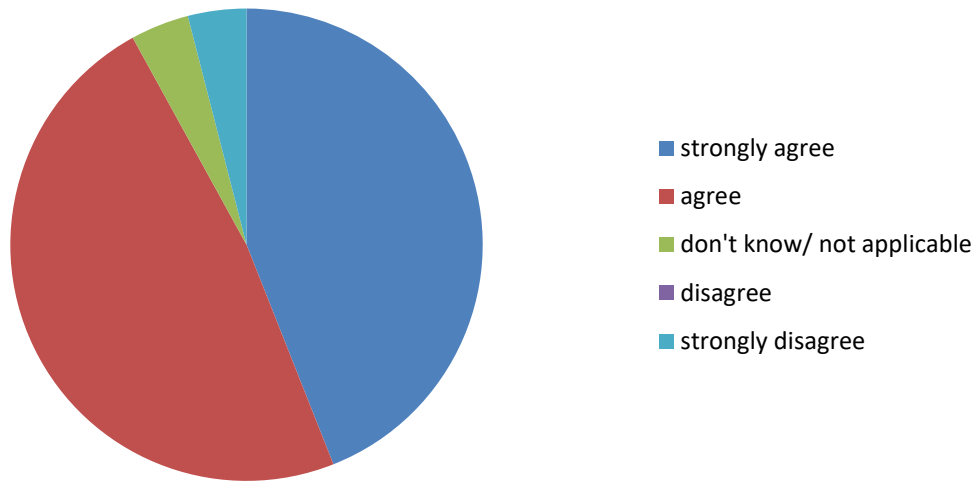

In response:

We reviewed this during the COVID period as our telephone calls were not as successful. We then implemented an outdoor solution which allowed the parents to meet with and talk to the key person. Although, as the research shows, <https://www.gov.uk/government/publications/education-recovery-in-early-years-providers-spring-2022/education-recovery-in-early-years-providers-spring-2022> relationships and incidental conversations have been unable to happen as we have asked parents to drop off and collect from the gate. We aim to welcome parents back into the classrooms following the Easter holidays as we implement our Living with COVID plan.
