It is with great sadness that I have to announce that we are saying goodbye to staff who have been with the nursery school for many years. We have had to restructure the staff in the nursery school due to the lack of funding afforded to us through the government early years funding.

Karen, our Assistant Headteacher and Anita, Flo and Steph our Nursery Officers are leaving on 31st December. All of these staff will have supported your children in their learning and particularly given you support as parents when your child has had support from outside agencies or needed additional support from school.

They are valued members of Hillfields Nursery School and have supported so many children and families over the years.

We wish them good luck for the future and know in our heart of hearts that wherever they are working in the future will truly benefit from such dedicated staff.

January 2023

When we return we will be opening up our main entrance for all children. It has been different since COVID but with no outbreaks in school we are now able to use our main entrance for all children.

For Meadow parents there is no change but for Orchard parents it is the gate next to our Reception area.
